

Region 6 Behavioral Healthcare currently has positions available for Nebraska Strong Recovery. Nebraska Strong works with individuals, families, and groups to provide outreach, emotional support, individual and group counseling. Crisis counseling training will be provided. The goal of this program is to support and empower individuals and families in addressing needs as a result of the recent Pandemic.

This position will begin as a work from home situation, until we can safely work in the community. This full-time position will offer structured scheduling & training opportunities. This is a temporary, grant funded position, and offers no benefits or paid time off.

Ideal candidates will possess the desire to help a community deal with the effects of Covid-19, and offer emotional & educational support as needed. The candidate will also have reliable transportation, a current automobile drivers license, current auto insurance as well a reliable internet provider. We are looking for individuals who are comfortable speaking with and listening to a diverse group of people. We desire candidates familiar with technology that will allow them to work remotely as long as necessary. The best applicants will possess a working knowledge of data reporting & report accountability.

Preference will be given to applicants with experience working with consumers who have experienced trauma, but this is not a requirement.
